New Futures Event: *Behind the Numbers: NH Medicaid Stories*

From New Futures: "We'd like to invite you to our upcoming virtual event, Behind the Numbers: NH Medicaid Stories, on **Wednesday, May 14 at 7 pm** to share what Medicaid means to you and your family. In New Hampshire, over 187,000 of our residents rely on Medicaid for their health care needs – including children, pregnant women, people with disabilities, veterans, and older adults in nursing homes. With Medicaid facing significant threats at both state and federal levels, the stories behind these numbers are increasingly important.

During this event, you will have the opportunity to share a brief 3-minute story about your experience. You'll find a supportive space to listen, learn, and connect with others who care about health care access in New Hampshire."
